Introduction

- 1.01
- (a) Forever Living Products (FLP) is an international family of companies that produce and market exclusive health and beauty products throughout the world through its unique concept that encourages and supports the use and retail sales of its products through independent Forever Business Owners (FBO). FLP provides its FBOs with the best quality products, support staff and marketing plan in the industry. The affiliated companies and their products provide an opportunity for consumers and FBOs to improve the quality of their lives from use of FLP products, and equal access to success to anyone willing to properly work the program. Unlike most business opportunities, there is little financial risk to FLP's participants, since no minimum capital investment is required and the Company provides a liberal buy back policy.
 - (b) FLP does not represent that an FBO will achieve financial success without working or by relying solely on the efforts of others. Compensation in FLP is based upon the sale of its products. Each FBO is an independent contractor whose success or failure depends on personal effort.
 - (c) FLP has a long history of success. The fundamental goal of the FLP marketing plan is to promote the sale and use of high-quality products to consumers. The primary purpose of the FBO is to promote the sale and use of these products to consumers, directly and by building a sales organization.
 - (d) The FBO regardless of his/her level in the FLP Marketing Plan is encouraged to make retail sales each month and keep records of such sales.
 - (e) A successful FBO gains current knowledge of the market by attending training meetings, maintaining personal retail customers, and sponsoring other FBOs to sell to retail customers.
 - (f) FBOs who have questions or need clarification should contact their Local Branch/Area Sales Manager, or call Customer Services Support at (603)-9282 0033 (Malaysia) or (65)-6222 2221(Singapore) or 673-242 0417 (Brunei).

- 1.02 (a) Company Policies and the Code of Professional Conduct have been implemented to provide restrictions, rules and regulations for proper sales and marketing procedures and to prevent improper, abusive or illegal acts. Such Company Policies and the Code of Professional Conduct are revised, modified and added to, from time to time. Revisions, modifications or amendments to the Company Policies and the Code of Professional Conduct shall be published on the FLP Company website at www.foreverliving.com and shall become effective 30 days after publication
- (b) Each FBO has an obligation to become familiar with the Company Policies and the Code of Professional Conduct in existence at the time of enrollment and as revised, modified or amended by the Company.
- (c) Each FBO, upon signing the Forever Business Owner Application form, agrees to abide by FLP Company Policies and the Code of Professional Conduct. Language therein specifically refers to the FBO's contractual commitment to follow FLP Company Policies and the Code of Professional Conduct. The placing of orders for product with FLP is a reaffirmation of such commitment to abide by the Company Policies and the Code of Professional Conduct. Any acts or lack of action, which results in a misuse, misrepresentation or violation of the Company Policies and/or the Code of Professional Conduct, may cause termination of the license granted to use FLP's registered trademarks, service marks, and other marks, including the right to buy and distribute FLP products.
- (d) Notwithstanding the foregoing, any revision, modification, amendment to, or termination of (a) the Dispute Resolution/Waiver of Jury Trial agreement contained in these Company Policies and the Code of Professional Conduct (Section 18.01) and/or (b) the agreements contained in the Dispute Resolution Policy referenced therein and available on FLP's Company website at www.foreverliving.com, shall not apply to a dispute of which the Company has actual notice of prior to the effective date of such revision, modification, amendment or termination. The effective date of any such revision, modification, amendment or termination shall be 30 days after the revision, modification, amendment or termination is posted on the FLP Company website at www.foreverliving.com.

8.03 **Recognized Manager:** when an FBO qualifies under the requirements as set for in 5.01, he/she is recognized as Recognized Manager and receives a gold pin.

8.04 **Eagle Manager Status:**

(a) Eagle Manager Status is earned and renewed each year. An FBO can qualify by meeting the following requirements during the qualification period of May through April, **after** qualifying as a Recognized Manager:

- 1) Be Active every month, in either in the Home OC or in the Qualifying OC.

Each Downline Eagle Manager must be in a separate sponsorship line, without regard to how many generations down, and can be in any Operating Company. This requirement is based on the Manager position qualified for at the beginning of the qualification period.

Senior: 1 Eagle Manager Line

Soaring: 3 Eagle Manager Lines

Sapphire:	3-5 EM Lines (Eagle Qualified) 6-9 EM Lines (Sapphire Eagle Manager)
D/Sapphire:	3-9 EM Lines (Eagle Qualified) 10-14 EM Lines (Diamond-Sapphire Eagle Mgr)

- (c) Responsored FBOs are included in the new Supervisor and NEW Case Credit requirements.
- (d) A Manager can combine their downline Eagle Managers from various countries for the purpose of achieving Eagle Manager status. If a Manager has sponsored the same FBO into multiple Countries, he or she can count Eagle Managers under that FBO in the various Countries, but no downline Eagle Manager can be counted more than once.
- (e) If an FBO achieves Manager during the qualification period:

- 1) Any Preferred Customer he/she sponsored during the final month of move-up will count toward the new Supervisor requirement for that qualification period's Eagle Manager program.
 - 2) The Eagle Manager requirements are NOT prorated; rather, he/she needs to accomplish the 720-Total/100-NEW Case Credits and the 2-new Supervisors during the remainder of the qualification period after achieving Manager level.
- (f) Upon completion of all requirements to achieve Eagle Manager Status, the FBO will be awarded an Earned Trip to attend an Eagle Manager's Retreat. The Qualifying FBO may select one location from the two determined by the company. This will include:

For example, if a Manager qualifies for level 1 in January, February, and March with 50, 100, and 150 CC, and then generates 225 CC in April, the Level 1 payment period would be replaced with a new 36-Month payment period for Level 2.
- (m) At the end of the 36-Month period, a Manager may re-qualify for a new Earned Incentive using the same qualifications as outlined above. This requalification can be satisfied during any 3 consecutive Months within the last 6 Months of the original 36-Month payment period.

13 **Ordering Procedures**

- 13.01 (a) Preferred Customers and FBOs order directly from the Company at discounted prices.
- (b) All orders with appropriate payment must be submitted to an authorized FLP product center by the last business day of the respective product center in the applicable Month, or via the Internet at www.foreverliving.com, (if and when available) by the applicable last order time allowed for the applicable Month, to qualify for a bonus generated for that Month.
- (c) All orders must be paid in full before processing. Acceptable forms of payment include cash, credit card (Visa or MasterCard) and direct bank-in or direct internet/Giro/ATM fund transfer into the Company's designated bank account.
- (d) Any discrepancy in condition or quantities must be reported to the respective FLP product center that the order was placed with or Customer Services no later than 10 days after the date the order was placed.
- (e) An FBO may not order more than 25 Case Credits in any calendar Month without prior Home Office approval.
- (f) The minimum FBO order is RM100/S\$25/B\$25 in product, not including literature or taxes.
- (g) All orders are subject to, and all deliveries conditioned on, the final acceptance by the Home Office of FLP. Receipt of bonus is evidence of acceptance by the Home Office.
- (h) When ordering a product that was the subject of a prior order, the FBO is certifying to the Company that 75% of the prior order of that product has been sold, used or otherwise utilized.

14 **Responsoring Policies**

- 14.01 (a) An existing FBO can re-sponsor under a different Sponsor provided that, during the preceding 12 months, he/she has:
- 1) Been an FBO, and

- 2) Not purchased any FLP products, and
 - 3) Not sponsored any other individuals into the FLP business.
- (b) If there is a second-named person on the responsing FBO Business, he/she will not be included as part of the responsed FBO Business. Such second-named person is then eligible to responsor under any FBO, having fulfilled the requirements listed in paragraphs (a) and (b) of this section.

If the second-named person wishes to responsor under the first-named person of an FBO Business that is not being responsed, he/she may do so without having to fulfill the requirements listed in paragraphs (a) and (b) of this section.

If the spouse of a legally married FBO who is not being responsed wishes to create his/her own Forever Business, he/she must do so by sponsoring directly under his/her spouse or directly under the spouse's Sponsor, without having to fulfill the requirements listed in paragraph 14.01 of this section.

- (c) A responsed FBO begins again as Preferred Customer under the new Sponsor and loses any downline acquired to that point in all countries into which he/she was previously sponsored.
 - (d) A responsed Preferred Customer counts as a newly-sponsored Preferred Customer for all incentives and promotions.
 - (e) If the responsing FBO is a Sponsored Recognized Manager, and has any 1st Generation Recognized Managers in his/her organization, these Managers will be classified as Inherited Managers in the newly appointed Sponsor's 1st Generation.
 - (f) The responsing Sponsored Recognized Manager will continue to count toward his/her previous Sponsor's Manager pin level.
- 14.02 (a) If an FBO has different Sponsors in Countries which are subsequently combined into a single Operating Company, he/she may do either of the following:
- 1) Relinquish the Forever Business and any existing downline in the Country into which he/she last sponsored, provided that he/she has not purchased product or sponsored anyone within the

last 12 months in that Country; and retain the Forever Business under the Sponsor who is on his/her original Application Form. He/She will retain the current sales level attained in the Marketing Plan. The downline of the relinquished business will move up to the next upline Sponsor.

- 2) Retain the separate Forever Businesses; that of the original Sponsor will be the primary in which he/she qualifies as Active each month. Upon so qualifying, the secondary Forever Business will receive an Activity Waiver.

15 International Sponsoring Policies

- 15.01 (a) This policy affects all International Sponsoring after May 22, 2002.
- (b) An FBO can be sponsored into a Country outside his/her Home Country by following the procedure outlined below:
- 1) The FBO must contact the Head Office of his/her Home Country, or the country into which he/she wishes to sponsor, and request to be internationally sponsored into the desired country.
 - 2) The FBO's original ID number will be used in all countries into which he/she is internationally sponsored.
 - 3) The 36-month FBO's sponsor will be the person who appears as the sponsor on his/her very first application form accepted by FLP, except in the case of a Responsorship or a Preferred Customer 6-month Sponsor change.
 - 4) The FBO will automatically start at the current attained Sales Level in all countries into which he/she is internationally sponsored.
 - 5) When an FBO achieves a Sales Level with Case Credits from a single Operating Company, it becomes effective in that Company immediately upon qualification and is reflected in all other countries the following month. If the FBO achieves a Sales Level (Supervisor, Assistant Manager and Manager only) with Case Credits combined from multiple Operating Companies, it

becomes effective in all countries on the 15th of the month following the qualification.

- 6) Upon achieving Active status (4cc) in the Home Country, the FBO will be considered Active in all other countries the following month, regardless of the Sales Level he/she has achieved.
- 7) If an FBO who has not yet achieved Manager in his/her Home Country is moved up to Manager level in a foreign country, and there is no downline FBO who achieves Manager during the same move up period, he/she must be Active during each month of the move up period in order to be a Recognized Manager.

If, however this is a downline FBO who achieves Manager during the same move up period, he/she must be Active during each month of the move up period, and have at least 25 Personal and Non-Manager Case Credits during the final Month of the move up period, either in the Home Country or in the country of move up, from FBOs in Downlines other than that of the Manager moving up in the same Month in order to be a Recognized Manager.

- 8) When an FBO changes residence to a different country, he/she must notify the old country of residence so that the address can be changed and a new Home Country assigned.
- (c) A Preferred Customer can be registered and assigned to the same FBO in multiple countries, however the Case Credits of his/her purchases cannot be combined from multiple countries for qualification as an FBO.

16 Prohibited Activities

- 16.01 The Executive Committee's decision to terminate a Forever Business or to disallow, realign or adjust Bonuses, Case Credits, compensation or any incentive awards for any FBO's involvement in activities or omissions that are not in conformance with Company Policies or the Code of Professional Conduct shall be final. Intentional acts of omission and disregard for the Company Policies or the Code of Professional Conduct by an FBO shall be severely dealt with which may include termination and legal action for damages.

16.02 Prohibited activities causing grounds for termination and liability for any damages caused by such acts include, but are not limited to, the following conduct:

- (a) **Fraudulent Sponsoring.** An FBO is prohibited from sponsoring individuals without the knowledge of and execution of a Forever Business Owner Application and Agreement by such individuals; the fraudulent sponsoring of an individual as an FBO; or the sponsoring or attempted sponsoring of non-existent individuals as FBOs or Customers (“phantoms”) to qualify for commissions or bonuses.
- (b) **Bonus Buying.** An FBO is prohibited from ordering more product than required to meet immediate sales needs, and additional products may be purchased only after 75% of that product’s inventory has been sold, consumed or otherwise utilized. An FBO is prohibited from purchasing products or encouraging other FBOs to purchase products solely for the purpose of qualifying for bonuses, and from using any other mechanism by which strategic purchases are made to maximize commissions or bonuses when an FBO does not have a bona fide use for the products purchased. In order to ensure no inventory loading is occurring:
 - 1) Each FBO who orders product that was the subject of a prior order shall also be confirming and certifying to the Company that 75% of the prior order of that product has been sold or otherwise utilized. Each FBO should keep accurate records of monthly sales, which records can be subject to inspection by the Company upon reasonable notice. Such records will include reports reflecting inventory on hand at the end of the month.
 - 2) The Company will be liberal in its application of the buy-back policy on termination of a Forever Business, but FLP will not repurchase products or issue refunds on products certified as having been consumed or sold. Falsely representing the amount of product sold or consumed in order to advance in the marketing plan shall be grounds for termination.
 - 3) To discourage the FBO from encouraging other FBOs to circumvent the inventory loading prohibition, the Company will charge back to a terminated FBO’s upline any bonuses paid on product returned from a terminating FBO.

- (c) **Proxy Purchasing.** An FBO is prohibited from purchasing product in any other than his/her own name.
- (d) **Selling to Another FBO.** In addition to retail activities, an FBO is prohibited from selling product to any FBO other than his/her personally-sponsored FBOs, but at not less than wholesale price. Any other sale to another FBO, either directly or indirectly, is a prohibited transaction for both the selling and the buying FBO. The equivalent Case Credit of such a prohibited sale shall not be allowed for purposes of meeting the Active requirement or qualification requirement for any other benefits within the Marketing Program. Resulting adjustments shall be made for this non-compliance.
- (e) An FBO is prohibited from engaging in activities that are prohibited in all sections of 17.10, 19.02, and 20 as set forth herein.
- (f) An FBO is prohibited from appearing in, being referenced in, or allowing the FBO's name or likeness to be featured or referenced in any promotional, recruiting or solicitation materials for another direct sales company.
- (g) An FBO is prohibited from any action or failure to act which evidences intentional disregard and gross negligence of Company Policies or the Code of Professional Conduct.
- (h) **Selling in Stores.**
 - 1) Except as herein provided in this Section below, an FBO is prohibited from permitting Company products to be sold or displayed in retail stores, military PXs, swap meets, flea markets, or like exhibitions. However, exhibitions for a period of less than one week in a twelve-month period at the same venue are considered temporary and are therefore permitted after receiving written approval from the Home Office.
 - 2) An FBO who has a service-oriented office, barber shop, beauty shop or health club is permitted to display and sell products within that office, shop or club. However, exterior signs or window displays by such FBO to advertise the sale of Company products are prohibited.
 - 3) An FBO is prohibited from selling or marketing Forever brand product except that it be in its original packaging. However,

products may be promoted and served in restaurants by the glass or portion.

- (i) **Using Unauthorized Literature.** The Company's prior written approval is required to use, produce or sell any sales aid or materials, other than those provided by FLP.

An FBO is prohibited from promoting or selling any sales aid, training materials, websites or Apps not provided by FLP, except to FBOs within his or her own downline. Such materials offered for sale to his or her own downline must be approved by FLP, and be sold at a reasonable price.

- (j) **Selling Online.** An FBO is prohibited from transacting the sale of Forever product using any internet-based sales channel other than the Company provided retail storefront at foreverliving.com or at an approved independent FBO website as defined in Section 17 herein.
- (k) **Selling to Others for Resale.** An FBO is prohibited from selling FLP products to anyone for the purpose of resale or entrusting others to sell FLP products.
- (l) **Sponsoring an FBO into Another Company.** An FBO is prohibited from, directly or indirectly, contacting, soliciting, persuading, enrolling, sponsoring or accepting any FBO, FLP customer or anyone who has been an FBO or Customer within the last twelve (12) months, into, or encouraging any such person in any way to promote opportunities in marketing programs of any direct sales company other than FLP.
- (m) An FBO is prohibited from disparaging other FBOs, FLP's products/services, the Marketing and Compensation Plan, or FLP's employees to other FBOs or third-parties. Any questions, suggestions or comments regarding these issues should be directed in writing to FLP's corporate offices only.
- (n) **Making Product Claims.** FBOs may not make any representation, expressly or by implication, that Forever products can prevent, diagnose, treat or cure any disease or medical condition. Forever products that are intended to be ingested into the body are purely nutritional and/or nutritional supplements and are, therefore, regulated throughout the world as food. Forever products that are intended to be used on the body are regulated throughout the world

as cosmetics. Forever does not produce or distribute any products that are to be considered or described as a medicine, treatment or cure.

- (o) **Making Earnings Claims.** FBOs may not make any representation, expressly or by implication, regarding the amount or level of income, including full-time or part-time income, that a prospective FBO can reasonably expect to earn. Implied representations of income that an FBO reasonably can expect to earn include, but are not limited to, representations and/or images used to show a dramatically improved, luxurious or lavish lifestyle.
- (p) **Operating Business by Proxy.** A Forever Business, and any resulting downline, created or operated by proxy, either intentionally or inadvertently, is prohibited, and shall be adjusted for compliance with Company Policies and the Code of Professional Conduct by the Executive Committee.
- (q) **Exporting Product.** An FBO is prohibited from exporting products for commercial use to a country where said products are not registered, formulated, or labeled in accordance with jurisdiction and law of the country where FBO is attempting to export said products.
- (r) **Advertising Price of Product.** An FBO is prohibited from any form of advertising of our products at any price below the Suggested Retail Price. This includes a stated price or any other pricing formula that reduces the price paid for any Forever product to below that of SRP.
- (s) An FBO is prohibited from attempting in any manner to induce, coerce or persuade any other FBO to terminate his or her position, cease doing business or reduce his or her business building activities for any reason.
- (t) **Improper Conduct.** Forever shall have the exclusive right to terminate an FBO's distributorship, without notice, if he/she engages in conduct that, in Forever's reasonable judgment:
 - 1) is contrary to the spirit of Forever;
 - 2) is unbecoming of a representative or FBO of Forever;
 - 3) is or could be harmful to the interests of Forever; or
 - 4) does or could bring Forever into disrepute.

Upon termination under this Section (t), FBO is forbidden from making derogatory or disparaging statements concerning Forever to any third party

17 Company Policies

- 17.01 (a) The FBO relationship with FLP is one of a contractual nature. Only adult individuals, 18 years of age or older, may contract with FLP to be an FBO.
- 1) An FBO is allowed, subject to specific conditions, to register a closely-held business entity to hold his/her Forever Business. A closely-held business entity shall be defined as a business entity held by the original primary FBO, or if required by law or approved by FLP, two (2) shareholders, owners, members or trustees will be allowed who must be directly involved in the day-to-day operation of the business (hereinafter referred to as the “Business Entity”). In addition to compliance with all of FLP standard Forever Business requirements and FLP Company Policies and the Code of Professional Conduct, the individual FBO(s) will be required to execute a Forever Business Entity Agreement, which shall supplement, be incorporated and considered part of the Forever Business Owner Agreement, outlining the additional terms and conditions under which the FBO agrees to operate as a Business Entity. The Forever Business Entity Agreement can be obtained in the Forms and Downloads link available under My Business after signing in as an FBO at foreverliving.com.
 - 2) The FBO is solely responsible for seeking individual professional advice regarding the establishment of a business entity, its tax effects and any other contingent legal issues. FLP explicitly disavows any responsibility and liability pertaining to an FBO’s decision to operate his/her Forever Business as a Business Entity. FLP does not represent nor shall give any tax, accounting or legal advice regarding assigning one’s Forever Business to a Business Entity.
 - 3) The Company shall not be liable for any loss of profit, indirect, direct, special or consequential damages, and for any other losses incurred or suffered by an FBO as a result of transferring one’s Forever Business from his/her individual name to a Business Entity.

Company Policies Rev 20240101

- (b) An FBO is considered an Independent Contractor, and is required to conduct his/her business within the terms of the Forever Business Agreement, and in compliance with the Company Policies and the Code of Professional Conduct that are applicable in the country in which he/she is conducting business.
- (c) A Forever Business consists of the person named on the Forever Business Owner Application form on file at the Home Office.

If the spouse of a legally married FBO wishes to create his/her own Forever Business, he/she must do so by sponsoring directly under his/her spouse or directly under the spouse's Sponsor.

If the spouse of a legally married Terminated FBO wishes to create his/her own Forever Business within one year of the date of termination, he/she must do so by sponsoring directly under the Terminated FBO's former Sponsor. However, if joining a year or more after the Termination, the spouse may choose any FBO as his/her Sponsor.

- (d) An FBO shall be held responsible to properly manage his/her Forever Business, specifically but not limited to, preventing family members from using information obtained through such Forever Business to circumvent compliance of Company Policies and the Code of Professional Conduct required or evolving from the Forever Business of the FBO. An FBO's failure to properly manage his/her Forever Business may result in termination.
- (e) In the event that the downlines of an FBO sponsor into a foreign country and the FBO has not previously been sponsored into that country, the FBO will be automatically sponsored into that foreign country and agrees to the prevailing policies and local laws of that foreign country and agrees to be bound by the dispute resolution policies set forth herein.

- 17.02 FLP agrees to sell the FBO product and pay volume bonuses as provided in the Company Marketing Plan, provided the FBO is not in violation of such FBO's contract with FLP.
- 17.03 An FBO may develop his/her own marketing techniques, so long as they are not in violation of any Company, state, federal or jurisdictional rules, regulations or statutes.

- 17.04 Any transfer other than by inheritance of a Forever Business, without prior Company approval, is prohibited and any such transfer shall be void. For the purpose of this provision, a change of beneficial interest of a Trust held Forever Business shall be treated as a transfer, which requires written approval by the Company to be valid.
- 17.05 Except as herein provided, an FBO is prohibited from, directly or indirectly, changing Sponsors. FLP will only consider the first valid Application received by the Home Office. Subsequent applications shall be disallowed.
- 17.06 When an FBO changes their residence to a different country, he/she must notify the old country of residence so that the address can be changed and a new Home Country assigned.
- 17.07 **Errors or Questions.** If an FBO has questions about or believes any errors have been made regarding bonuses, downline activity reports, charges, or changes, the FBO must notify FLP within sixty (60) days of the date of the purported error or incident in question. FLP is not responsible for any errors, omissions or problems not reported within sixty (60) days.
- 17.08 **Voluntary Termination.**
- (a) An FBO may terminate his/her Forever Business by submitting a written request, signed by all named individuals appearing on the current approved Forever Business. The effective termination date is the date on which the Home Office accepts the termination request. The terminating FBO forfeits the current sales level and all downlines, including those in foreign countries, established at the time.
 - (b) Once an FBO terminates, the spouse (if on the same FBO Business) is also considered terminated.
 - (c) After 12 months, a terminated FBO may reapply subject to Home Office approval. Upon such approval the FBO will enter as a Preferred Customer, and will not have the previous downline organization restored.
 - (d) If the terminating FBO is a Sponsored Recognized Manager, and has any 1st Generation Recognized Managers in his/her organization,

these Managers will be classified as Inherited Managers to the newly appointed Sponsor.

- (e) The Terminated Sponsored Recognized Manager will continue to count toward his/her previous Sponsor's Manager pin level.

17.09 Termination or Suspension for Cause.

- (a) Termination means a severance of all domestic and international privileges and contractual rights available to an FBO, including the privilege to buy and distribute the products. The Termination will result in the inability to qualify for Bonuses, and severance of participation in all other benefit programs sponsored by the Company.
- (b) A terminated FBO shall, upon demand by FLP, be liable to repay, return or compensate FLP for any benefit programs, prizes, inventories, or bonuses received from FLP from and after the date of the activities causing such Termination. After recouping any costs or damages resulting from the terminated FBO's conduct, forfeited bonuses, caused by such Termination, shall be paid to the next qualifying FBO upline who is not in violation of any of the Company Policies and the Code of Professional Conduct.
- (c) After 12 months, a terminated FBO may reapply subject to Home Office approval. Upon such approval the FBO will enter as a Preferred Customer, and will not have the previous downline organization restored.
- (d) Suspension is a temporary status that prohibits an FBO from placing orders, receiving profit and bonus payments, and sponsoring other FBOs.
- (e) The profits and bonuses of a Suspended FBO shall be held until the FBO is either reinstated or terminated. If reinstated, the withheld payments shall be paid to the FBO; otherwise, they shall be disbursed in accordance to the marketing plan.
- (f) If the terminated FBO is a Sponsored Recognized Manager, and has any 1st Generation Recognized Managers in his/her organization, these Managers will be classified as Inherited Managers to the newly appointed Sponsor.

- (g) The Terminated Sponsored Recognized Manager will continue to count toward his/her previous Sponsor's Manager pin level.

17.10 **Internet Policies**

- (a) **Selling Products Online.** In order to maintain the integrity of FLP's brand name, product line, and the FBO/Customer relationship, an FBO is offered the following Internet website options. First, an FBO may purchase a Company-approved FBO website, FLP360, for marketing products online using a direct link to the Company's Webstore at www.foreverliving.com. Online orders will be fulfilled directly by the Company on this website. This internet link is arranged so that the FLP pages will remain within the FBO's website. The guests virtually never leave the FBO's website. In the alternative, an FBO may establish an "Approved FBO Website" pursuant to the additional terms and conditions enumerated in Exhibit 1, attached hereto and made part of this Company Policy.
- (b) Sponsoring an FBO online via an electronic signature application or online form is prohibited outside of the direct application or link to the official Company website at www.foreverliving.com.
- (c) **Electronic Advertising.** Independent FBO websites that have been approved by the Company, or are as part of an online banner or display ads that conform to the Company's advertising guidelines and have been approved by Company, will be allowed. Online banners or display ads must be submitted to the Company for approval prior to posting online and must link a user to the Company website or an independent FBO website that has been approved by the Company. All electronic advertising is subject to and controlled by the Company Policies and the Code of Professional Conduct relating to advertising and promotional guidelines.

18 **Legal**

18.01 **Dispute Resolution/Waiver of Jury Trial.**

- (a) If a controversy or claim arising out of or relating to the FBO relationship or FLP products cannot be resolved by negotiations, the Company and FBO agree that in order to promote to the fullest extent reasonably possible a mutually amicable resolution of the dispute in a timely, efficient and cost-effective manner, he/she will waive his/her respective rights to a trial by jury and settle their dispute by

Company Policies Rev 20240101

submitting the dispute to the American Arbitration Association (AAA) for binding arbitration in Maricopa County, Arizona, in accordance with the written Dispute Resolution Policy currently in effect and available on the Company's website at www.foreverliving.com. Maricopa County, Arizona shall be deemed the sole and exclusive place for jurisdiction and venue of any dispute between the company and the FBO, and if appropriate, under FLP's dispute resolution procedures, a court of competent jurisdiction located in the State of Arizona, Maricopa County. The Forever Business Owner Application and Agreement shall be governed in all respects by the laws of the State of Arizona.

- (b) Participating in the international sponsoring program is a privilege that gives each FBO the chance to benefit from FLP's international network of companies. The international sponsoring program is monitored from FLP's home office in Maricopa County, Arizona. An FBO participating in the international sponsoring program agrees and consents to any disputes arising out of or relating to the FBO relationship or FLP products, involving any of the FLP affiliated companies, shall be resolved through binding arbitration in Maricopa County, Arizona, pursuant to Forever Living.com and Forever Living Products International, LLC's current dispute resolution policies as set forth above and stated on FLP's Company website at www.foreverliving.com.

18.02 **Testamentary Transfers.**

- (a) The transfer or assignment of a Forever Business is prohibited except in the event of death or legal separation or divorce.
- (b) All Forever Business Owner Applications that contain two signatures, regardless of when signed, shall be treated as creating a Joint Tenancy with Right of Survivorship. If the FBO lives in a community property state, the treatment will be that of Community Property with Right of Survivorship. On the confirmation of death of any one of the two signing FBOs, the Forever Business will automatically be transferred to the survivor of the two. This will be the case regardless of what is stated in a Will of the first FBO to be deceased. In addition, this means that when two persons have signed on the Forever Business Owner Application the survivor of the two will be the sole FBO after the death of the first. If an FBO does not wish this result, they must contact the Home Office to express their needs and to determine if such needs can be accommodated. Keep in

mind that no change in a Forever Business can be made during your lifetime except in the case of a legal separation or divorce.

- (c) If the Distributor application of a legally married person has checked the marital status box as being Married, but the application only contains the signature of one of the married parties, the company will treat the Forever Business as being a Joint Tenancy with Right of Survivorship.
- (d) Forever Business Owner applications that have the marital status box checked as being single and with only one signature will be treated by the company accordingly.
- (e) To transfer a single person's Forever Business on death, such FBO must have a Will or use of a Grantor's Trust.
- (f) The Company recognizes Joint Tenancy with Right of Survivorship and use of Grantor Trusts as legal means of holding a Forever Business and in the event of an FBO's death, a means of transferring the Forever Business to the Survivor or named beneficiary respectively without having to go through probate proceeding to get the property to the intended heir.
- (g) If the Forever Business is held in a Business Entity, the death of the primary shareholder will not remove the Forever Business from the Business Entity so long as the ownership of the Business Entity remains in conformity with Company policies governing ownership of such Business Entity. The transfer will be recognized by the Company when a court order or legal documents addressing the transfer are submitted to and approved by the Company.
- (h) Within six (6) months following the date of the FBO's death, the surviving FBO, trustee or estate representative shall provide notification of such death to his/her Domestic Home Office of FLP. Such notice is to include a certified copy of the death certificate, a certified copy of the Will or Grantor's Trust, or Court Order, authorizing the transfer of the Forever Business to a qualified successor. After six (6) months from the date of death, FLP may remove the deceased FBO from the Forever Business. Giving timely notification and providing the required documentation for a successor's interest, will be required to prevent a suspension and/or termination of the Forever Business. If based on valid reasons, a request for a reasonable extension of time to provide transfer

documents may be submitted to the deceased FBO's FLP Domestic Home Office prior to the end of the six (6) month period. FLP reserves the right to make payments to the joint survivor, beneficiary, trustee or legally authorized personal representative of the estate of a deceased FBO pending the timely submission of appropriate legal documentation.

- (i) The inheritable rights to a Forever Business are limited and restricted as follows:
 - 1) The heir must be a person who can qualify as an FBO.
 - 2) Because the heir must be an adult individual, a trust or guardianship may have to be established for multiple heirs or minor children. In the event a trust is established, a copy must be placed on file with FLP. Its terms must clearly allow the trustee to act as an FBO. A guardian or a trustee of a testamentary trust must be appointed by the court of proper jurisdiction and receive specific approval to be an FBO on behalf of the minors.
 - 3) A trustee or guardian shall retain the FBO status so long as the Forever Business Owner agreement is not violated, until the beneficiaries have attained the age of majority, and an heir accepts the responsibility of operating the Forever Business with prior approval of the court.
 - 4) A trustee, guardian, spouse or other representative-type FBO shall be responsible for the actions of the beneficiary, ward, or his/her spouse for purposes of following the policy terms of the Forever Business Owner agreement. A violation of Company Policies and the Code of Professional Conduct by any of the above individuals may result in termination of the Forever Business.
 - 5) The inheritable Forever Business position within the Company Marketing Plan is limited to recognition at no higher than that of Manager. However, bonuses shall be paid at the same levels and requirements as held by the deceased. All Sponsored Managers belonging to the Forever Business will be reclassified as Inherited Managers, who can subsequently qualify as a Sponsored Manager as outlined in Section 5.04(e). Forever Business positions below Manager shall be inherited at that level.

18.03 Transfers Due to Divorce.

- (a) During a pending divorce or negotiation of a property settlement, FLP will continue to disburse payments to the FBO as was done prior to the pending action.
- (b) In the event of divorce or a legal separation, a legally enforceable property settlement agreement may decree the Forever Business be granted to one spouse or the other. The Forever Business cannot, however, be partitioned. Only one adult individual will be entitled to retain the current downline of this Forever Business. The other spouse may choose to establish his/her own Forever Business at the same level of the Marketing Plan as established with the ex-spouse. Such other spouse must use the original sponsor. The other spouse's new Forever Business shall be treated by the sponsor as Inherited until re-qualified.

19 Restrictive Covenants

- 19.01 To the extent permitted by law, FLP, its directors, officers, shareholder, employees, assigns and agents (collectively referred to as "Associates") shall not be liable for, and the FBO releases FLP and its Associates from and waives all claims, for any loss of profits, indirect, direct, special or consequential damages, and for any other losses incurred or suffered by the FBO as a result of: (a) FBO's breach of the Forever Business Owner Agreement of FLP Company Policies and the Code of Professional Conduct and Procedures; (b) the promotion or operation of the FBO's Forever Business and FBO's activities related to it; (c) FBO's incorrect or wrong data or information provided to FLP or its Associates; or (d) the FBO's failure to provide any information or data necessary for FLP to operate its business, including without limitation, FBO's enrollment and acceptance into the FLP Marketing Plan and the payment of volume bonuses; or (e) transfers pursuant to death, legal separation or divorce of an FBO.. EACH FBO AGREES THAT THE ENTIRE LIABILITY OF FLP AND ITS ASSOCIATES FOR ANY CLAIM WHATSOEVER RELATED TO THE RELATIONSHIP OF AWARENESS INCLUDING, BUT NOT LIMITED TO, ANY CAUSE OF ACTION SOUNDING IN CONTRACT, TORT, OR EQUITY, SHALL NOT EXCEED, AND SHALL BE LIMITED TO, THE AMOUNT OF PRODUCTS FBO HAS PURCHASED FROM FLP THAT ARE IN RESALABLE CONDITION.

19.02 **Limited License to Use Company Marks.**

- (a) The name “Forever Living Products” and symbols of FLP and other names as may be adopted by FLP including FLP Product names are proprietary trade names and trademarks of the Company.
- (b) Each FBO is hereby licensed by FLP to use FLP’s registered trademarks, service marks, and other marks (hereinafter collectively referred to as “Marks”), in conjunction with the performance of the FBO duties and obligations under the Forever Business Owner Agreement and the corresponding policies and procedures. All Marks are and shall remain the exclusive property of “FLP”. The Marks may only be used as authorized by the Forever Business Owner Agreement and FLP’s corresponding policies and procedures. The license granted herein shall be effective only as long as the FBO is in good standing and in full compliance with FLP’s policies and procedures. However, it is prohibited for an FBO to claim any ownership of FLP’s Marks (i.e., registering for a domain name using the name “FLP”, “Forever Living”, or any other FLP Mark in any way, shape or form) unless it has been approved in writing by FLP. These Marks are of great value to FLP and are supplied to each FBO for each FBO's use in an expressly authorized manner only.
- (c) FBOs may not use any written, printed, recorded or any other material in advertising, promoting or describing the product or FLP marketing program, or in any other manner, any material which has not been copyrighted and supplied by FLP, unless such material has been submitted to FLP and approved in writing by FLP before being disseminated, published or displayed.
- (d) FBOs may not alter any packaging, labels, or directions for use for any FLP Products, or recommend that a Product be used in any way other than as indicated by the Company literature.

20 Confidential Information and Nondisclosure Agreement

- 20.01 (a) Downline reports and all other reports and genealogical information, including, but not limited to, downline sales organization information and commission recap statements, are private, proprietary and confidential to FLP.
- (b) Every FBO who is provided with such information must treat it as private and confidential and take care to maintain its secrecy and

Company Policies Rev 20240101

refrain from making any use thereof for any purpose other than the management of their downline sales organization.

- (c) An FBO may have access to private and Confidential Information which he/she acknowledges to be proprietary, highly sensitive and valuable to FLP's business and is being made to him/her solely and exclusively for purposes of furthering the sale of FLP products and prospecting, training and sponsorship of third parties who may desire to become FBOs and to further build and promote his/her FLP business.
- (d) "Trade Secret" or "Confidential Information" shall also mean information, including a formula, pattern, compilation, program, device, method, technique or process, that:
 - 1) derives independent economic value, actual or potential, from not being generally known to other persons who can obtain economic value from its disclosure or use; and
 - 2) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.
- (e) Whenever FLP makes information available to the FBO, it shall be for the sole purpose of conducting FLP business.
- (f) An FBO is prohibited from using, disclosing, duplicating or otherwise making any Trade Secret or Confidential Information available to anyone other than FBOs, without the prior written consent of FLP.
- (g) An FBO is prohibited from, directly or indirectly, using, capitalizing upon or exploiting any Trade Secret or Confidential Information for his/her own benefit, or for the benefit of anyone else, other than for the purpose of conducting his/her FLP business.
- (h) An FBO shall maintain the confidentiality and security of the Trade Secret and Confidential Information in his/her possession and to protect against disclosure, misuse, misappropriation or any other action inconsistent with FLP's rights.
- (i) **Further Restrictive Covenants.** In consideration to FLP for the receipt of Trade Secret or Confidential Information, the FBO inherently agrees that for the term of the Forever Business, the FBO

shall not take or encourage any action, the purpose or effect of which would be to circumvent, breach, interfere with or diminish the value or benefit of FLP's contractual relationships with any FBO. Without limiting the generality of the foregoing, for the term of the Forever Business, the FBO agrees not to directly or indirectly, contact, solicit, persuade, enroll, sponsor or accept any FBO, FLP customer or anyone who has been an FBO or Customer for the last twelve (12) months, into, or to encourage any such person in any way to promote, opportunities in marketing programs of any direct sales company other than FLP.

- (j) The agreements contained in the “Confidential Information” section of these policies shall remain forever and in perpetuity. The agreements contained in the “Further Restrictive Covenants” section of these policies shall remain in full force and effect during the term of the previously executed Forever Business Owner Agreement between FLP and the FBO, and thereafter until the later of one (1) year from the latest receipt of any Confidential Information or twelve (12) months after the expiration and termination of such Forever Business Owner Agreement.

21 Warranty, Guarantee, Product Return and Buy Backs

- 21.01 The following time periods shall apply except where modified by local law.
- 21.02 FLP warrants satisfaction and guarantees its products are free from defect and substantially conform to product specifications. For all FLP products exclusive of literature and promotional products, this warranty and guarantee shall be for a period ending thirty (30) days from date of purchase.

Retail/Preferred Customers:

- 21.03 (a) Retail/Preferred Customers are guaranteed 100% product satisfaction. Within thirty (30) days from the date of purchase, a Retail/Preferred Customer may
 - 1) Obtain a new replacement for any defective product; or
 - 2) Cancel the purchase, return the product and obtain a full refund of the purchase price, excluding shipping.

- (b) In all cases, proper notice, proof of purchase and timely return of the product is required to be given to the source of purchase. FLP reserves the right to reject repetitive returns and any product that has been consumed or used more than 50% of its original content.
- (c) When FLP products are acquired by Retail/Preferred Customers from or through the Company's Webstore, and subsequently returned for refund, the Profit and Bonus which was disbursed will be charged back to the FBO(s) who benefited from the sale.
- (d) When FLP products are acquired from or through an FBO, that FBO is the primary party responsible for customer satisfaction by exchanging the product or refunding the money. In the event there is a dispute, FLP will determine the facts and resolve the issue. If cash is disbursed by FLP, the same will be charged back to the FBO(s) who benefited from the product sale.

Refund and Buy Back Procedure for the FBO

- 21.04 During the respective stated periods of warranty and guarantee, FLP will provide a new replacement of the same such product in exchange for a defective product or for one that has been returned to an FBO by a Retail Customer for lack of satisfaction. Such replacement shall be subject to validation of presented proof of timely purchase. Such purchase must have been made by the FBO returning the product. In addition, for replacements of products to an FBO for product returns by Retail Customers, a proof of sale to the Retail Customer and written proof of cancellation along with a signed receipt for return of funds as well as the return of product, which shall not be consumed/used more than 50%, will be required. Repetitive returns of product by the same parties will be rejected.
- 21.05 (a) FLP shall buy back any unsold, salable FLP product, except literature, that has been purchased within the previous six (6) months, which is hereby defined as purchased within the previous **183 days**, from any FBO who terminates his/her Forever Business. Such buy back will be accomplished by the terminating FBO first giving written notice to FLP of their intent to terminate the Forever Business and forgo all rights and privileges relating thereto. The terminating FBO must return all products for which a refund is being claimed, along with proof of purchase, to FLP.
- (b) If the product returned by a terminating FBO was purchased at Preferred Customer Price, the Preferred Customer Profit will be

deducted from the immediate upline sponsor and, if the product returned is greater than 1cc, all Bonuses and Case Credits received by the terminating FBO's upline for the products returned, will be deducted from the upline. If the Case Credits were used for any level move-ups of the FBO or upline, those move-ups may be re-calculated after deducting the Case Credits to determine if the move-ups should remain in force.

- (c) If a terminating FBO returns any Combination Pak, and it is missing some product, the refund and the deductions from the upline will be calculated as if the entire Combo Pak was returned, and then the wholesale or Preferred Customer Price of the missing components will be deducted from the refund issued.
 - (d) After verification of the facts, the FBO will receive a refund cheque from FLP in the amount equal to the FBO's cost of the products being returned, less the bonuses personally received, plus an administrative charge of 10% the wholesale value of the products purchased to cover the cost of handling and freight.
 - (e) After recouping any costs or damages resulting from the terminated FBO's adverse conduct, if any, FLP will remove the FBO from the FLP Marketing Plan, and their entire downline organization will move up directly under the terminating FBO's Sponsor in their current generation sequence.
- 21.06 The “Buy Back Rule” is designed to impose upon the Sponsor and the Company the obligation to ensure that the FBO is buying products wisely. The Sponsor should make every effort to provide recommended guidelines to the FBO so that he/she purchases only as much product as is required to meet immediate sales needs. Products previously certified as having been sold, consumed or utilized shall not be subject to repurchase under the “Buy Back Rule.”
- 21.07 The maximum Buy Back amount shall be limited to any Maximum Purchase Limits in force at the time the purchases were made.

In addition to compliance with all the FLP standard requirements defined in the Company Policy, the FBO must comply with the terms and conditions of this Exhibit 1, which supplement, are incorporated, and considered part of the Company Policy, outlining the additional terms and conditions required for an Approved FBO Website.

An FBO shall only display and offer for sale Company products on an independent website that satisfies the terms and conditions set out in the Company Policy and this Exhibit and that has been authorized two months in advance in writing by the Company, which authorization shall not be unreasonably withheld (such authorized independent website is referred to as an "Approved FBO Website").

An FBO must notify the Company in advance of the URL(s) and trade name(s) of the Internet site it wishes to use for its Approved FBO Website, and of any changes to these throughout the term of the agreement. Such approval shall not be unreasonably withheld;

- (g) Ensure that electronic advertisements, such as online banners, display ads, and search engine advertisements (e.g., Google AdWords), could not confuse visitors as to the identity of the source and provides for identification of the advertisement as that of an independent FBO. It should not create the perception in any way that the visitor is visiting the official Company website. Any electronic advertisements need to contain a link to the FBO's personal Company web shop on www.foreverliving.com or the Approved FBO Website;
- (h) Ensure that all messages of an FBO in relation to the Company or the Company products on social media (e.g. Facebook, Twitter, and YouTube) comply with all applicable laws and regulations, general terms and conditions of the social media platform, the Company Policy and this Exhibit. - (e) Each FBO should keep accurate records of monthly sales, which records can be subject to inspection by the Company upon reasonable notice. Such records will include reports reflecting inventory on hand at the end of the month.

2. Indemnification.

By creating an Approved FBO Website, the FBO agrees to fully defend, indemnify, and hold harmless the Company and its related entities (including, without limitation, its officers, directors, and employees) from and against any losses arising out of or relating to any third-party claim concerning (a) your or any third-party end users' use of an Approved FBO Website; (b) breach of the Terms and Conditions or violation of applicable law by you, end users, or your content; or (c) a dispute between you and any end user. You will reimburse us for reasonable attorneys' fees, as well as our employees' and contractors' time and materials spent responding to any third-party subpoena or other compulsory legal order or process associated with third-party claims described in (a) through (c) above at our then-current hourly rates.

3. Penalties.

Failure to adhere to these Terms and Conditions may result in penalties including, but not limited to, suspension or even termination, including liability for any damages caused, of the FBO's Forever business, right to use the Company's registered trademarks, service marks and other marks, and right to sell or distribute Company products. The Company also reserves the right to pursue any other legal remedies available under the law for breach of these Terms and Conditions
